***Information on the organization of the Danish Veterinary and Food Administration**

Please note that the address given under "Name, address and code number of control body/authority:" may differ from the address given in the stamp of the issuing control body/authority. This is due to the organization of the Danish Veterinary and Food Administration, where for instance the regional food centres have several offices.

*For further information on the organization please see
<http://www.uk.foedevarestyrelsen.dk/Aboutus/Organization/forside.htm>*

Please also note, that the code numbers of the Danish control authorities have changed from 24. June 2010. The previous code numbers (DK-Ø-1 to DK-Ø-10) can be used for organic products placed on the market until 1. July 2012.
